King of Rome

Author: Jesse Shanks

Genre: Historical Fiction

First in the "King of Rome" Series

In 500 BC, five centuries before Julius Caesar, King Servius Tullius ruled over a flourishing Rome. Seeking to increase the power and prestige of the city, he finds himself locked in a deadly struggle with his nephew and the former king's son, ambitious Lucius Tarquinius. After murdering Tullius and seizing the throne, Tarquinius instigates a reign of terror, eliminating enemies and using the Roman legions to

conquer the peaceful city of Gabii. As political tensions reach a boiling point,

Tarquinius' tyrannical rule incites a growing rebellion. When his son Sextus commits a fatal act against the virtuous

Lucretia, her enraged family, led by Lucius Junius Brutus, vows to overthrow the corrupt Tarquins. In an epic saga of revolution, battles, heroism, and sacrifice, Brutus and the Republican loyalists fight to defend Rome against the despotic

Etruscan kings. Fast-moving and cinematic, the writing brings to life ancient text and legends and makes this history an essential part of the history that

made our modern political world accessible and enjoyable for the modern reader. Vivid portraits of political

machinations, betrayals, clashing ambitions, and the struggle for freedom will captivate fans eager to experience one of history's most iconic eras. Besides reflecting real history, this book is also a ripping good yarn full of action and adventure..

Opinion Graphics of the Trump Years

Author: By Ed. Jesse Shanks

Genre: Nonfiction

Part of the Country in Distress Series

"Opinion Graphics of the Trump Years Collection" takes a chilling dive into the infamous January 6th riot and its participants. The names of the conspirators, including Donald Trump himself, Charles Flynn, Ezra Cohen-Watnick, Jeffrey Clark, and an extensive cast of malcontents, deadbeats, and criminals, are exposed with unyielding precision.

Through biting satire and striking imagery, this book brings to light the darkest days of American history when a sex-abusing failed businessman leveraged Russian interference to secure the Oval Office. Witness the disregard for constitutional duties, the corruption, and the dangerous alliances that plagued the Trump era. From the disastrous response to the COVID-19 pandemic to the betrayal of Afghan allies, it's all here.

Fractured Republic: A Tale of January 6

Author: A Evergreen

Genre: Historical Fiction

Part of the Country in Distress Series

A bold and controversial story tackling the events of January 6, 2021, with history and satire. Through historical events and caricatures, it illuminates the motivations, questionable actions, and comical incompetence of the insurrectionists, shedding light on the origins of reliance on conspiracy theories, misinformation, and political extremism. A scathing critique of the systemic racism and hatred of equality that forms the foundation of the insurrection led by corrupt group of criminals. There is more to the story than has been recounted at the hearing, court appearances and Sunday News Shows. The racism and resentment that forms the foundation of the insurrection is deeply embedded in the American body politic.

Detrumpification: A Guide to Eradicate the MAGA Cult

Author: Democracy Vanguard

Genre: Nonfiction

Part of the Country in Distress Series

This book delves into the depths of Christian nationalism, exploring its profound impact on the political landscape and the cultural divisions it has fostered. Frank analysis of the sexual disfunction that forms the basis of religious and political cultism. Laid bare is the perverted intersection between Trump's sex crimes and the adoration of this followers. But at the fundamental level, the MAGA movement is about the money. American oligarchs have bankrolled this movement, just as they have bankrolled other "movements" in the past. The corrupt rot at the heart of the MAGA movement is a symptom of a deeper effort to control and determine the possession of power in the United States. But "Detrumpification" doesn't merely dwell on the past; it charts a path forward. With a ground-up approach, the book outlines a blueprint for eradicating the corrupt and divisive elements of the MAGA movement. It offers a vision of unity, reconciliation, and a return to the values

Roots Across the Heartlands: A Family History

Author: By Jesse Shanks

Genre: Nonfiction

Get ready to embark on a captivating journey through time in *Roots Across the Heartlands: A Family History*. This extraordinary book takes you deep into the heart of Meade County, Kentucky, where the stories of the Powells, Dows, Corbetts, and Whelans come to life.

The inspiration for this heartfelt masterpiece came from Anna Doris Whelan Shanks, who wanted to preserve her mother's cherished memories. Determined to identify faces in old photographs, Anna Doris created a beautifully concise volume dedicated to her mother's friends and relatives.

But what started as a simple compilation of photographs soon transformed into an enchanting anthology, weaving together captivating stories from her mother's past. Anna Doris handpicked personal photographs, infusing the book with a sense of intimacy and nostalgia.

But *Roots Across the Heartlands* is not just about one family's history. Inspired by his mother's legacy, Jesse W. Shanks III recognized the value of sharing this treasure with the world. It serves as a window into the past, inviting readers to explore the lives and stories of the Powells, Dows, Corbetts, and Whelans.

Roots Across the Heartlands is a celebration of cherished relationships and a testament to the lives lived. Join the journey and discover the power of family history in this captivating tale.

Mandel Family History

Author: debi lee mandel and jesse w. shanks

Genre: Nonfiction

This history chronicles the career of Jacob Mandel, an ingenious entrepreneur who built a business empire after emigrating from Russia in the early 1900s. It details his humble beginnings as a tradesman in Brooklyn to the launch of his highly successful metal fabrication company, Masell Manufacturing.

With fascinating insights into New York's Jewish immigrant communities, it documents how Mandel leveraged grit, ambition, and innovation to become a self-made titan of industry. Through extensive research it provides an intimate look at his personal life, marriage to Alice Meyerson, and raising six accomplished children.

The carefully assembled stories, spanning continents and centuries, bring to life a family's struggles and successes through monumental events in world history. This treasure trove of genealogical insight will fascinate and inspire anyone interested in exploring their own roots.

Ugly Unicorns

Author: By Joseph Burke

Genre: Activity

In the enchanting land of whimsical creatures and mythical beings, where beauty often reigns supreme, there exists a unique and peculiar breed known as the "Ugly Unicorns." Unlike their majestic and elegant counterparts, these extraordinary unicorns possess an unconventional charm that captures the hearts of those who dare to look beyond the surface.

With mismatched colors adorning their scruffy coats and wild, untamed manes, the Ugly Unicorns radiate an inexplicable allure. Their twisted horns, curved in unusual shapes, reflect a spirit of individuality and resilience. Though their appearances may be unconventional, these extraordinary creatures embody a rare authenticity that sets them apart.

The Ugly Unicorns wander through enchanted forests and hidden meadows, finding solace in their uniqueness. Their magical presence brings joy to those who embrace diversity, celebrating the beauty that lies within imperfections. Their playfulness and mischievous nature enchant all who encounter them, reminding us that true beauty resides in the acceptance and appreciation of our differences.

Javascript for Automation: Crafting Scripts for MacOS

Author: By Jesse Shanks

Genre: Activity

What's Inside?

- Engaging Tutorials: Clear, concise, and playful tutorials guide you through the basics of JXA, ensuring a solid foundation.
- Real-World Applications: See JXA in action with scripts that solve real-world problems, enhancing your productivity and creativity.
- Interactive Learning: Don't just read—do! Our hands-on approach means you'll be experimenting and creating from the get-go.
- Tips and Tricks: Learn the insider secrets to optimize your scripting and make your Mac dance to your tune.

The book explores fundamentals like working with application objects, manipulating dialogs and user interactions, accessing system events, and incorporating practical scripting additions. You'll walk through detailed real-world scripts demonstrating how to dynamically create documents in Pages, fetch data from the internet, automate playlists in Music, process files across multiple apps, and more.

This practical guide introduces 🦊 JavaScript for Automation (JXA), 🦊 a versatile scripting language for automating workflows on Mac devices. These scripts leverages JXA's tight integration with macOS to eliminate repetitive tasks, manipulate data, connect apps to boost capabilities, and customize productivity scripts.

JavaScript for Automation 2: Supercharge Your Mac with ChatGPT

Author: By Jesse Shanks

Genre: Activity

This book is packed with hands-on recipes and practical tutorials that cover a wide range of applications – from automating AI-powered emails, handling spreadsheets, to creating dynamic presentations and crafting reusable script libraries. Whether you're a newbie to coding or an experienced software enthusiast, this guide ensures that mastering Mac scripting is not only rewarding but also immensely fun.

Our journey traverses through numerous practical applications such as:

- Utilizing JXA for streamlined workflows.
- Integrating ChatGPT for intelligent automation in apps like Apple Mail and FileMaker Pro.
- Crafting emails, presentations, and database records with AI assistance.
- Speech synthesis and text processing capabilities.
- Script libraries for efficient code reuse.

Beyond just technical know-how, "Mastering Mac Automation with JavaScript and ChatGPT" encourages you to unleash your creativity, enhancing productivity and adding joy to your daily computing tasks. Embark on this automation adventure and unlock the full potential of your Mac!
